

Summer On-Road Experimenter

Requirements:

- Must be available to work at *least* 4 **nights** per week
- Must possess a valid US driver's license
- Must be able to lift 50 lbs. unassisted
- Must be willing to work outside at **night**
- Must be punctual and dependable

Details:

- Shifts will run variably between 7pm-4am this summer. With the current project needs, it will hopefully allow for somewhat of a "set schedule" that you can expect weekly.
- Pay is \$10.00/hour
- Shifts can be influx due to weather conditions

Description:

On-road experimenters are tasked with setting up the Smart Road/ building for a participant study, presenting experimental conditions during the study and cleaning up the Smart Road/ building once the study is done. During our night studies, it is typical for an on-road experimenter to stand on the side of the road as a pedestrian, set up objects along the road such as deer decoys or wooden targets, or in some cases operate experimental equipment. This position has the ability to continue into fall semester and beyond if desired.

Please send an email of interest along with your resume to Liz Catron at lcatron@vtti.vt.edu
